- Second Step® Elementary Digital Program
- Second Step® Middle School Digital Program

## About Second Step® Programs

The research-based Second Step Elementary and Second Step Middle School digital programs are universal, web-based classroom programs designed to develop human skills, which can help increase students' school success and decrease problem behaviors.<sup>1,2</sup> The programs help students learn how to cope with challenges, create positive relationships, and succeed both socially and academically. Skills are reviewed and expanded each year, gradually becoming more complex as students get older. Lessons provide tools for students to develop the mindsets, knowledge, and skills to handle strong emotions, show kindness and empathy, build and strengthen friendships, make and follow through on good decisions, and solve problems with their peers.

## How the Programs Meet the Delaware Competencies

The following tables indicate which specific Second Step grade-band lessons and related materials can help students develop the knowledge, skills, and attitudes needed to meet the Delaware Mental Health Literacy Competencies. Boxes are checked to indicate that the Second Step digital programs meet a given state competency within the identified grade or grade band (for instance, Grades K-2) when:

1. Students have clear opportunities to actively process the knowledge or practice the skills described in the competency through discussion, writing, drawing, or other related activities
2. There are opportunities for teachers to gather evidence of student learning in relation to the competencies

1. Durlak, J. A., Weissberg, R. P., Dymnicki, A. B., Taylor, R. D., & Schellinger, K. B. (2011). The impact of enhancing students' social and emotional learning: A meta-analysis of school-based universal interventions. *Child Development*, 82(1), 405–432. <https://doi.org/10.1111/j.1467-8624.2010.01564.x>

2. Taylor, R. D., Oberle, E., Durlak, J. A., & Weissberg, R. P. (2017). Promoting positive youth development through school-based social and emotional learning interventions: A meta-analysis of follow-up effects. *Child Development*, 88(4), 1156–1171. <https://doi.org/10.1111/cdev.12864>

## Kindergarten-Grade 2

### Delaware Mental Health Literacy Competencies

Second Step® Elementary Digital Program

Competency			Key Skills and Concepts																
Brain Builders (Executive-Function Skills)			Unit 1: Growth Mindset & Goal-Setting			Unit 2: Emotion Management			Unit 3: Empathy & Kindness			Unit 4: Problem-Solving
